

# Gantt Chart

Task ID: Task Name: October 26

PEOPLE

- Brayden Wright
- Dustin Shiozaki
- Tracy King
- Samuel Teare
- Corin Thummel
- Will Frank
- Everyone

NOTES

- This schedule is defined with the fact that unexpected problems may arise that cause some tasks to take a day or two longer than proposed.
- Weekends are included, but are kind of treated as buffer days.
  - That is, it's understandable if tasks aren't worked on over the weekend since people may have other things to do.
